Rental Criteria for Animals (Pets): Animal policies vary from one homeowner to another. Some owners do not permit animals (other than approved service animals) on the property, while others restrict type and/or size of allowable animals. No more than two animals per household are permitted without specific owner approval.

ALL applicants must create a profile by choosing one of these two options:

OPTION ONE: Applicants with no animals. This is a required application process for anyone that does NOT own a pet or animal. There is no cost (\$) to you for completing the application process through: <https://rentwerxllc.petscreening.com/>

----OR----

OPTION TWO: Submit a full animal (pet) application through: <https://rentwerxllc.petscreening.com/>

Inside of that application portal for PetScreening.com you will be required to provide the following information:

1. Full description of your animal (pet) of type of pet, gender, breed, age, color, weight, neutered / non-neutered.
2. Up to date veterinarian contact information to include most recent annual vaccination records.
3. Most recent photos of each animal (pet).
4. Supporting documentation for any Emotional Support Animal (ESA) or Service Animal such as a verifiable doctor's letter from a local physician.

Once all information is received and verified, your animal (pet) will be assigned a paw score from 1 to 5 Paws.

The monthly Pet Fee is determined by PetScreening.com ranging from \$40 per month to \$100 per month

Service Animals: Any requests to allow for service animals must apply for free, provide certifiable documentation, and complete an application into: <https://rentwerxllc.petscreening.com/>

Animal (pet) Processing Fee: A \$100 fee will be charged at lease signing per animal (pet) allowed on the lease.

Restricted breeds: Any approved restricted breed requires a separate Dog Liability Insurance Policy naming RentWerx as "Additionally Insured". This must be presented prior to move in.
