This general non-reliance clause shall not prevent recovery in tort for fraud or negligent misrepresentation or intentional misrepresentation unless specific non-reliance language is included in this agreement. This is a non-reliance clause and is neither a merger clause nor an extension of a merger clause. The parties execute this agreement freely and voluntarily, without reliance upon any statements or representations by parties or agents except as set forth herein. Parties have fully read and understand this agreement and the meaning of its provisions. Parties are legally competent to enter into this agreement and to fully accept responsibility. 11. Mold Information and Prevention Addendum

11.1 ADDENDUM E

Addendum E

About Mold

Mold is found virtually everywhere in our environment- both indoors and outdoors. It is also found in both new and old structures. Molds are naturally occurring microscopic organisms which reproduce by spores. Mold spores spread through the air and are commonly transported by shoes, clothing, and other materials. When excess moisture is present inside a dwelling, mold can grow. A 2004 Federal Centers for Disease Control and Prevention study found that there is currently no scientific evidence that accumulation of mold causes any significant health risks for persons with normally functioning immune systems. Appropriate precautions are always recommended to be taken.

Preventing Mold begins with YOU

In order to minimize the potential for mold growth in your dwelling, you must do the following:

- Keep your dwelling clean- particularly in the kitchen, bathroom(s), carpets, and floor. Regular vacuuming, mopping, and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.

- Remove visible moisture accumulation on windows, walls, ceilings, floors, and other surfaces. Turn on any exhaust fans in the bathroom and the kitchen *before* you start showering or cooking with open pots. When showering, be sure to keep the shower curtain inside the tub or fully close the shower doors. Wipe moisture off shower walls, doors, bathtub, and floor. Leave bathroom door open until all moisture on mirrors and surfaces has dissipated. Hang up your towels and bath mats so they will completely dry out.

- Promptly notify us in writing about any air conditioning or heating system problems you discover. Follow our rules regarding replacement of air filters.

- Promptly notify us in writing about any signs of water leaks, water infiltration, or mold. We will respond in accordance with state law and the Lease Agreement to repair or remedy the situation as necessary. If a concession is deemed earned, we will notify you in writing.

In Order To Avoid Mold Growth, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources such as rainwater leaks, overflows or leaks from bathroom and kitchen fixtures, washing machines and refrigerators, A/C leaks, pet urine, plant watering, beverage spills, cooking spills and open-pot cooking as well as insufficient drying of carpets, carpet pads, shower walls, laundry, linens, and bathroom floors.

If Small Areas of Mold Have Already Occurred On Non-Porous Surfaces (such as tile, Formica, vinyl

flooring, wood, metal, or plastic), the Federal Environmental Protection Agency (EPA) recommends that you first clean the areas with soap and water, let the surface dry, and then, within 24 hours, apply a pre-mixed, spray-on-type household biocide such as Lysol Disinfectant, Pine-Sol Disinfectant, Tilex Mildew Remover, or Clorox Cleanup. ***Be sure to follow the instructions on the container.*** Always clean and apply a biocide to an area 5 or 6 times larger than any visible mold. A vacuum cleaner with a High Efficiency Particulate Air (HEPA) filter can be used to help remove non-visible mold from *porous* items such as fibers in chairs, sofas, drapes and carpets- provided the fibers are completely dry. Machine washing or dry cleaning will remove mold from clothes as long as they are completely dry after the washing or cleaning.

Do Not Clean or Apply Biocides To: 1) visible mold on *porous* surfaces such as sheetrock walls or ceilings, or 2) large areas of visible mold on *non-porous* surfaces. Instead, notify us in writing and we take appropriate action.

Compliance: Complying with this Addendum will help prevent mold growth in your dwelling and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions regarding this addendum, please contact us at the management office. If you fail to comply with this addendum, you can be held responsible for property damage to the dwelling and any health problems that may result.

electronic holes to be restored to original condition. Lessee acknowledges the use of toggle bolts is not considered small nail holes and shall be considered as damages.

14. Lessee Charges Addendum

14.1 LESSEE CHARGES ADDENDUM

Lessee Charges Addendum

The charges listed below would be incurred by the Lessee(s) for common actions that would go above and beyond the normal lease agreement, the normal activities for a Lessee, or any other actions outside of routine operations. These charges have been put into place to offset the cost and additional time involved to address each issue listed below on behalf of the Lessee and are charged on a case-by-case basis. Failure to remit payment upon invoice receipt may result in additional fees as payments may be applied to your previous balance first. Should this addendum be modified, you will be notified in

written, or email form.

Lessee Requested Walk thru Fee \$75.00 (Monday through Friday 9AM-4PM-except for holidays)

This fee would be charged if the Lessee requests an in-person walk thru when moving out of the home. Through normal procedures, an escorted walk thru of a property with the tenant and a representative of Lessor is above and beyond the regular practice of a vacant home walk thru. The fee is charged because the resident often still has access to the home via keys, and often has possession still in the home requiring us to do an additional walk thru once the locks have been changed, and the Lessee has completely vacated. ***Please note that these walk thru inspections must be scheduled with our office in writing 3 business days in advance. The fee is due upon receipt of scheduling the walk thru inspection.**

Early Move In Fee \$ 50.00 This fee would be charged if a Lessee requests an earlier move in date than what the original lease was prepared, written, and signed for. To make changes requires additional paperwork and coordination. ***Lessee must schedule this additional coordination with our office in writing, and the fee is due upon receipt of scheduling.**

Immediate Occupancy Fee \$ 100.00 This fee would be charged to a Lessee if the Lessee needs to move into a property immediately (once approved, and if available.) Ex: Lessee is approved on a Thursday afternoon, and needs to move in on Friday. In order to facilitate such a quick move- in we have to place properties above sequenced order to accommodate the quick turn- around. ***Please be advised that this payment would be due immediately upon receipt and coordination. This option may not be available for all properties.**

Delayed Move In Fee \$ 75.00 This fee would be charged to a Lessee if a move in date needs to be modified for a later move in. If the terms to the later move in are acceptable to the owner, a late move in can be arranged. This fee would be incurred due to the modification, preparation, and utilities needing to be in place longer, and for the coordination of modified paperwork if necessary. ***A later move in date will be addressed on a case-by-case basis, and all requests may not be approved. If approved, payment is due upon receipt of this modification.**

Lease Processing Fee for Lease Modifications \$125.00: This fee will be charged if a Lessee wants an administrative action taken that will cause their current lease agreement to be modified. If a Lessee wants to remove and occupant from a lease agreement, add an occupant to a lease agreement, add a pet to the lease agreement, or anything that will cause the lease to be modified, a processing fee of \$75.00 will be added to the Lessee ledger. ***Please be advised that payment would be due upon receipt of invoice, and lease modifications are based on owner approval.**

Certified Letter Fee \$ 25.00: This fee will be charged if for any reason the Lessee is sent a certified letter for negative reasons. This can be applied for pending eviction, stop eviction, attorney notification, HOA notification, unauthorized occupant, unauthorized pet, failure to comply with lease agreement terms, or a non-responsive Lessee to email, letter or phone call attempts.

Emergency Key Service Fee \$ 150.00: This fee will be charged if the Lessee locks themselves out of the home, and has requested assistance from PURE Property Management of Alabama. PURE Property Management of Alabama often maintains a copy of a key in the office lockbox, but that can often only be retrieved during normal business hours. The Lessee may call their own locksmith, at their expense, to access the home, but if the keys are changed, copies must be provided to PURE Property Management of Alabama per the lease agreement. Should the Lessee change the locks without permission, nor providing a copy to Lessor this fee may also be charged.

Unnecessary Maintenance Requests- Normal Business Hours, and After Hours \$25.00-\$75.00 This

fee will be charged to a Lessee that calls in a maintenance request and the contractor, designated personnel, performing the repair identifies the call as “operator error.” The most common examples are checking for obvious leaks, resetting the garbage disposal, light bulb changes, GFI switches, tripped breakers, pilot lights, setting HVAC controls etc. There will be a \$25.00-\$75.00 charge due upon receipt of invoice added to the ledger in addition to contractor service fee calls.

Stop Payment Fee \$ 50.00: This fee will be charged if a tenant does not receive a check reimbursement from Lessor via the postal service for any refund. Lessor must submit a cancellation fee to reissue checks; therefore, this fee will be charged to the Lessee at the request of reissuing a check payment.

Administration Fee for Cleaning/and Or Repairs \$ 55.00: This fee would be charged if Lessor has to make additional arrangements to provide maid services, lawn service, carpet cleaning, pest control, or repairs to any damages done to the property in addition to the invoice that is charged by the contracting company for the repairs. The fee is the administrative cost in organizing this work on the Lessees behalf.

Utility Transfer Fine \$ 75.00: This fine will be charged to the tenant if the Lessee fails to transfer the utilities to their own accounts within 10 days from the date of move in. Not only would the tenant be responsible for the utilities from the lease start date, but they would also be charged this fine if additional efforts have been made to ensure they properly transferred the utilities.

Administration/Demand Letter \$ 50.00: This fee will be assessed to Lessee who failed to make their rental payments timely, or correspond with our office, receiving an approved extension date. The demand letter will be in response to the late rent, including all fees of any unpaid balance, and will be due by the stated date in the letter to Lessor.

Stop -Eviction Fee \$175.00: This fee will be assessed to the Lessee if requested by the Lessee and accepted by Lessor to stop the eviction proceedings after the posting of a 7- day termination notice, in the event funds were not submitted by the required date of the notice. This option will only be available to exercise on the option that Lessor has approved to cease the eviction proceedings. This fee will cover all administrative costs to prepare, and finalize the eviction being ceased, then becoming null and void.

Missed Appointment Fine \$100.00: This fee is charged if a Lessee schedules an appointment with Lessor, Lessor’s contractors, or if any approved agent has scheduled a showing for the property and the Lessee is not home after Lessee had requested to be present for the appointment. If Lessee does not allow Leasing Agents to show the home after Lessee has been notified with the proper notice, this fine may also be assessed to the account.

HOA Fine \$50.00: This fee will be charged anytime Lessor receives any letters for negative reasons from the HOA. The most common examples are placed out of sight garbage pick-up days, basketball goals, parking violations, unauthorized boats or trailers. This fine is for Lessor’s efforts to ensure compliance by the Lessee. If the HOA charges a separate fine, this will be charged back to Lessee in addition to this fine.

Unauthorized Pet Fine \$ 500.00: This fee will be charged to the resident for any, and all unauthorized pets found inside the premises, or exterior areas of the premises. This fee will be assessed if the Lessee had or did not have the knowledge of the or any unauthorized pet. This is strictly a fine to the Lessee to cover administrative costs of having the home assessed, re inspected, and for violating the lease agreement.

Insurance Fine \$ 75.00: Failure to provide Lessor a copy of your rental insurance policy within 5 calendar days from the lease start date may result in the bookkeeping/tracking fee to ensure that you meet the requirements to secure this policy. Failure to remit a renewal contract, or if you cancel

your policy may result in consecutive monthly fees for each month, we do not have your policy on file. This fine may be charged at Lessors discretion for any notifications received by Insurance Agencies of Lessee's non-compliance to policy terms, and/or not limited to notifications of cancellations, or terminations by Insurance Agencies.

Failure to Return Keys/Garage Remotes to the PURE Property Management of Alabama Office- \$150.00: Per the Security Deposit Addendum # 6, all keys and garage remotes are to be returned to Lessor by delivering them to the office of PURE Property Management of Alabama. The office address is 2124 Metro Cir SW Huntsville, AL. 35801. The keys/garage remotes are not to be left at the property.

Collection/Service Fee- varies but minimum of \$ 10.00, based on specific situations: Failure to remit payment for any account balance, including remainder balances from security deposit dispositions, due from Lessee to Lessor may result in a collection service fee due to Lessor. This fee is for the collection efforts performed by Lessor and any actual expenses that are incurred by Lessor during collection procedures. Service fees may be charged to any account that has any balance that is not remitted by the specified due date on the bill that is emailed or that is mailed through regular postal services. This fee may also be charged for any account that Lessor may retain open as a holding account, which accrues bills that are due from Lessee. This fee is for the convenience of such services that Lessor may retain for Lessee. These fee amounts vary upon each specific situation, but the minimum fee amount of \$10.00, and maximum charges of 10 % of any balance.

Lease Non-Compliance Fine \$100.00: Failure to comply with legal notices and terms of the lease, such as proper use, care, maintenance, allowing agent showings for rental or sales opportunities, posting legal notice of entry, or otherwise any non-compliance of the lease agreement which mandates Lessor to follow up on the compliance order issued to Lessee shall receive this fine. This fine covers the loss in time and actual expenses of the Lessor to ensure that a Lessee is complying with all lease terms.

Per Paper Payment Fee \$15.00: PURE Property Management of Alabama requests that all monthly rent payments be made via your tenant portal. If you still choose to make your payment by Cashier's Check, Check, or Money Order a \$15.00 charge will be assessed for each paper payment received.

All charges are assessed on a case-by-case basis. This list does not encompass all charges that could occur in the handling of tenant issues that come up during the term of the lease agreement.
